2021 OASSA FALL CONFERENCE

THE
HILTON
COLUMBUS
AT EASTON

KEYNOTE SPEAKER: THOMAS C. MURRAY

EDUCATOR • AUTHOR • SPEAKER

Staying Personal & Authentic in the Midst of Adversity

Last school year brought uncertainty at every turn. Opening the school year in the midst of a global pandemic created significant anxiety and a loss of sleep for all educators, regardless of position. As we lead through uncertainty, how can we create a culture where both students and staff can thrive? How can we work to overcome fear and fail forward when things don't go as planned? How can we best leverage the things that we still control? Regardless of what happens outside our school walls, together we can work to create meaningful opportunities for those we serve when we hyper-focus on the things that matter most. The work is hard, but our kids are worth it!
