BEGINNING ADMINISTRATORS ACADEMY

Part 1: September 11-12, 2023
Part 2: December 11-12, 2023

Designed for the new and growing administrator, this two-part academy will help you bridge the gap from theory to practice by providing guidance, networking, and a thorough overview of the practical details of your new role.

Led by experienced principals, superintendents, and other education community leaders, the Beginning Administrators Academy gives you all the tools you need to run a successful school community.

The content from Part II will build upon Part I, but you may attend either as a stand-alone session.
