

THE OHIO ASSOCIATION OF SECONDARY  
SCHOOL ADMINISTRATORS

# OASSA FALL *Conference*

From general sessions with nationally recognized speakers, to concurrent sessions addressing a wide range of instructional issues facing Ohio administrators, the 2023 OASSA Annual Fall Conference is an amazing opportunity for everyone involved in secondary school leadership. The conference is an exceptional resource and will offer a wide range of professional development topics designed to bring school leaders up to date with the many changes in policy and practice in the state of Ohio, as well as motivate and energize school leaders.
