

# ADVANCED PLACEMENT STUDENT SUCCESS SUMMIT

In partnership with the Ohio Association for Secondary School Administrators, the College Board will host an AP Student Success Summit on November 2-3, 2023. School teams are invited to attend.

During the summit, district teams will hear about creative best practices that support AP programs in Ohio schools. Additionally, there will be information shared about updates to the Advanced Placement program along with resources that are available to both AP teachers and administrators. Ultimately, we will look at the foundations of what makes a strong AP Program - 'Do you offer AP courses, or do you have an AP program?'

We are most excited that Trevor Packer, Senior Vice President for AP Curriculum, and Instruction, will be the keynote speaker on November 2. Participants will also meet the Ohio based College Board team that supports schools in Ohio.

Time will be provided for district teams to discuss their current AP offerings and programs and plan for the coming year.
