THANK YOU!

A huge thank you to John Kronour from OHSA, for taking the time to speak with our high school cheerleading coaches. The continued collaboration and support between the organizations will enable the growth in the spirit industry we all are striving for.

SCORESHEETS & RUBRICS:

How do you want to see your scoresheets align with other organizations or vice versa? Though in a perfect world our industry would have one unified scoring system it just does not exist.

We do have control over what **YOU** want to move into 2025-2026 competition year. Our steering committee will be rolling up their sleeves with current OASSA judges to create a stronger, more effective, and efficient way to obtain scoring ranges on the rubrics.

Motions defined for basic, beginner, intermediate, advanced, and elite.

The Building Committee, newly formed, will develop a user-friendly rubric for all coaches, choreographers, and judges' comprehension.

Our combine is open to rising freshman (2025 school year) through graduating seniors. Athletes will be able to showcase their individual skill set to a variety of collegiate coaches. American Spirit League will provide the collegiate coaches in attendance rosters and information about each combine attendee.
